

New CRNCH Membership Model

Georgia Tech  **Center for Research into
Novel Computing Hierarchies**

Presented by: Tom Conte
CRNCH Co-Director
January 31st, 2020

- ❑ CRNCH's goal is research beyond the edge
- ❑ Funding agencies are allergic to such projects
- ❑ ***Solution:*** CRNCH funds research internally with member support

- ☐ Seat on advisory board to set student research directions
- ☐ Pre-publication access to student research results
- ☐ Remote access to internal research presentations

Cost of membership: \$50k per year that funds research projects plus CRNCH operations
